

DefenseReady Workforce: Manpower Authorization Documents

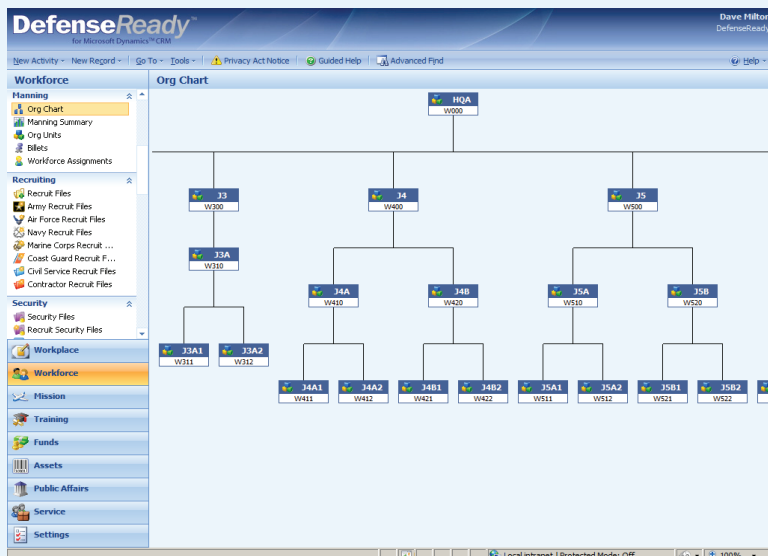

› Manning Documents

Having problems managing your JMD, JTMD, IA (Individual Augmentation), TDA, MobTDA, CTA, SMD, SQMD, or UMD authorizations? DefenseReady provides an automated system for planning, managing, and constructing multiple manpower/authorization documents.

This feature allows your organization to manage active and reserve manning using one platform for a consistent user experience. DefenseReady is built to fit the needs of combined, joint, or single service organizations.

Org	Auth	O/H	O/H%	Proj+30	Proj+30%	Proj+90	Proj+90%	Proj+180	Proj+180%
Total	1,487	1,484	100%	1,395	94%	1,343	90%	1,270	85%

DefenseReady supports requirements and authorizations to ensure personnel with the proper skills and grades are available to accomplish any assigned mission.

Enables your agency's personnel manager to:

- Assign people with the appropriate skills and grades to billets.
- Forecast vacancies and project backfills to continually update and optimize staffing.
- Export proposed force structure information to subordinate elements for review and higher headquarters for approval.
